

## Area Hydro Companies Hold “Shoot-Out”

May 5, 2008, (Kitchener), ON — On May 4th Cambridge and North Dumfries Hydro, Guelph Hydro, Kitchener-Wilmot Hydro and Waterloo North Hydro sponsored the Great Refrigerator Roundup OHL finals hockey game between the Kitchener Rangers and the Belleville Bulls. There were approximately 7,000 fans in attendance. Everyone who entered the arena was given a ballot to win a stainless steel fridge valued at \$1,800.00, just for guessing how many

pucks were in an old, beat up fridge supplied by ARCA Canada. Three people guessed the correct number and competed in a shoot-out at centre ice during the game’s 2nd intermission.

In the photo at left is John Grotheer, President of Cambridge and North Dumfries Hydro, Jerry is Van Ooteghem, President of Kitchener-Wilmot Hydro, Milan Grujic, winner of the fridge, and Bill Wylie, Great Refrigerator Roundup Program Manager from the OPA.
